**WELL KNOWN OLD-TIMER  
DIES AT EMPIRE HOME**  
John McGowan, one of the pio-  
neers of Virginia City, passed away  
Monday morning at his home in  
Empire, where he had made his  
home for a long term of years.  
He deceased was over 80 years  
of age, and was well known  
throughout that region. The fam-  
ily formerly resided in Virginia  
City, and lived on a ranch near the  
present location of the new Mexi-  
can mill. A son, Alex McGowan,  
was born and raised in Virginia  
City, and was district attorney for  
Ormsby county before going to  
Butte City, Mont. At the latter  
place, he is now justice of the  
peace, and a successful lawyer. The  
family moved away from Virginia  
City over twenty years ago.

**CUT THROAT TO REMOVE  
WOMAN'S FALSE TEETH**  
WICHITA, Kan., Feb. 27.—It  
was necessary to cut Mrs. Alice  
Miller's throat to remove her false  
teeth plate that had lodged there,  
when a tooth caught in food she  
was chewing and caused her to  
swallow her teeth. Three teeth  
were on the plate. Surgeons who  
performed the operation say that  
Mrs. Miller will recover.

**RICH LEAD VEIN  
IS OPENED UP IN  
WHITE PINE CO.**

**FIVE FOOT VEIN OF STEEL GA-  
LENA CARRYING 80 PER CENT  
LEAD IS UNCOVERED.**

Another story of where persist-  
ency is to receive its reward was  
disclosed during the week through  
the discovery of five feet of high  
grade steel galena carrying better  
than 80 per cent in the black  
metal on the properties of the Lead  
King Mining and Milling company  
near the Steptoe Valley smelter at  
McGill, White Pine county.

The crowd of Salt Lake owners  
are now confident that the Lead  
King will be transformed into a  
paying teller's window, and that  
their mineral holdings in the Duck  
Creek district are to become a de-  
pository of great wealth.

After expending more than \$20,-  
000 in attempting to demonstrate  
that one of the most marvelous  
deposits of lead in the Duck Creek  
country would be uncovered on their  
possessions, the directors of the  
Lead King feel positively certain  
that their theory with respect to the  
location of the ore bodies have been  
verified by the recent strike.

In the bottom of a small winze  
from the south drift in the upper  
workings, a fissure was encountered  
which has a maximum width of five  
feet between the walls, the enriched  
zone carrying extremely high values  
in lead. About two cars of ore  
has been extracted, and an unlim-  
ited quantity of the same character  
of ore has been blocked out in the  
same workings.

It is the intention of the man-  
agement to drive a crosscut at a  
point ninety feet north of the main  
shaft, the avowed purpose being to  
intersect the fissure vein, and if  
ore is discerned at that particular  
portion of the estate, the company  
is assured of a measurable tonnage  
of a shipping variety.

The dominant factors in the Lead  
King have always been confident  
that they possessed a producer of  
merit, and have maintained a small  
working force during the last four  
years in prospecting the limestone  
area and doing necessary develop-  
ment work.

The object of these explorations  
was to definitely determine the  
principal mineral bearing fissures.  
It is only now that their efforts  
are to be finally realized.

A. P. Spitko, secretary of the  
Carpenter Paper company of Salt  
Lake, and Leon Engstrom, the Salt  
Lake representative of the Pennsyl-  
vania lines, inspected the new dis-  
covery last Thursday, and are very  
highly pleased with the manner in  
which the Lead King is responding  
to developments. They returned to  
the Utah capital last Friday.

titled "The Danites" by McKee Ran-  
kin. This is a very good picture  
and must be seen to be appreciated.

**WILLIE LEWIS  
TAKES COUNT IN  
SECOND ROUND**

NEW YORK, Feb. 27.—Mike  
Gibbons of St. Paul knocked out  
Willie Lewis of New York in the  
second round of a scheduled 10-  
round bout here last night. It was  
the St. Paul welterweight's second  
defeat of Lewis within two months.  
The knockout blow was a right  
to the chin, administered when  
Lewis was wobbling from previous  
punishment.

Gibbons in the first round sent  
four rights and four lefts to Lewis'  
head, staggering him. Lewis fought  
wildly, but his opponent ducked  
and blocked the blows.

Lewis then landed two good hard  
rights to Gibbons' jaw, but a right  
to the face in return dropped him  
to the mat for the count of nine.  
Just as he arose, the bell rang.

Lewis came up weak in the sec-  
ond round and Gibbons let go a  
tornado of rights and lefts, stag-  
gering the New Yorker. A short  
left and a hard right to the chin  
decided the battle.

**JOHNNY KILBANE  
WILL NOT FIGHT  
ATELL AGAIN**

LOS ANGELES, Feb. 27.—John-  
ny Kilbane, the new featherweight  
champion, appeared yesterday with  
his left eye discolored from the ef-  
fects of the "goat tactics" of At-  
tell at Vernon on Washington's an-  
niversary. The cut, inflicted by At-  
tell's head in the 16th round, was  
the only mark of the battle the  
Cleveland fighter showed.

"Atell says he wants another go;  
will you give it to him?" Kilbane  
was asked.

"I don't think he deserves it,"  
the new champion answered, "after  
the foul way he fought. Besides  
the public knows Atell would  
stand no chance with me and that  
would hurt the game."

Promoter Tom McCarey declared  
that there was little likelihood of  
a return match at Vernon.

Kilbane has accepted a theatrical  
engagement and said he would re-  
main on the Pacific coast for some  
time.

**KETCHEL DIES  
AS RESULT OF  
HIS INJURIES**

CHICAGO, Feb. 27.—Joe Ketchel,  
the prizefighter who collapsed after  
a recent bout with Billy Walters  
at the United States naval training  
school near Waukegan, died last  
night. Walters was arrested pend-  
ing investigation by the coroner.

Ketchel, whose name was Kama-  
rowski, owed his death to three  
blood clots on his brain. They re-  
sulted from a ruptured artery. Ac-  
cording to Naval Surgeon Fields,  
Ketchel did not receive the injury  
during the bout at the training  
school, as the clots apparently had  
been in existence previously.

It is said Ketchel was knocked  
out by a severe blow on the temple  
in a fight with Mike Mahoney at  
Appleton, Wis., six weeks ago.
